

Always carry a Survival Kit

IF LOST ALWAYS STAY IN ONE LOCATION

Distress Signals as Follows:

3 Fires by Night, 3 Smoke Columns by Day, or 3 Shots in Close Succession.

If you should shoot 3 shots at game while hunting, always fire one more shot into a good backstop so it will not sound like a 3 shot distress signal.

Before drinking water from an unknown source, purify by adding 2 drops of iodine to 1 qt. of water, or 2 drops of Clorox to 1 gal. of water, or boil for 30 mins. at high altitudes.

**Communication Ground Signals
Used for Aircraft Rescue**

KEEP THIS CARD IN YOUR WALLET
